THE PROPERTY OF

MR. JAMES EVES.

TO BE SOLD AT AUCTION

BY ANDREWS & SON, AUCTIONEERS,

On Tuesday, April 21st, and following Days.

The above collection will be ready for Exhibition on the Day and Evening preceding the Sale. Catalogues can be obtained from Mr. Eves or from the Auctioneers.

CONDITIONS OF SALE.

1. All purchases to be for cash, bankable funds.
2. The highest bidder to be the buyer. If any dispute shall arise between two or more bidders, the Auctioneer not being able to decide, the lot so disputed shall be put up again and re-sold.
3. The purchaser shall give his name and residence, and pay a deposit, if required; the same to be in part payment of the purchase money; in default of which, the lot or lots so purchased will be put up again and re-sold, and the first purchaser will have to pay all charges and make good all losses at such re-sale.
4. The lots to be taken away, at the purchaser's expense, on the morning after each day's sale, and the purchase money to be paid previous to the delivery of the goods.
5. Upon failure to comply with the above conditions, the money deposited will be forfeited, and all goods not removed within the time named, may be re-sold by public or private sale on account of the purchaser, and any deficiency occurring at such re-sale to be made good by said purchaser.
6. The Coins, &c., are presumed to be perfect, unless otherwise expressed, but must be taken as they are. The Auctioneer will not be responsible for any imperfections in the Coins, &c., or error of description in titles or catalogues.

Gentlemen who cannot attend the sale, may have their commissions faithfully executed by the Auctioneer.

 As the expense of compiling and printing a catalogue of this description is considerable, and as many persons procure catalogues who do not become purchasers, a charge of 15 cents will be made on giving out the catalogues, which will be credited if the party should become a purchaser.
